address: U Křivačkářny 888, 755 01 Vsetín
plant: TK-Therm Isolations s.r.o.
address: U Křivačkářny 888, 755 01 Vsetín
order: Z010120171

the Authorized Body has reviewed documents submitted by the manufacturer, performed the initial type-testing of the product sample, assessed factory production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the national technical approval:
STO No. 010-029879 of 22.05.2012

- the factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned national technical approval and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 010-029880 of 11.06.2012 containing the conclusion of the findings, assessments, test results and description of the product necessary for its identification is to be considered as an integral part of this certificate.

This certificate remains valid as long as the requirements given in the national technical approval referred to hereinabove or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

The Authorized Body performs at least once a 12 months the surveillance of proper function of the factory production control, selects samples at the factory and performs an audit-testing of samples to assess whether the characteristics of the product comply with the national technical approval according to Article 5 Clause 4 of the above mentioned Government Decree. If the Authorized Body identifies some failures, it is competent to cancel or change this certificate.
